Sir:

If any charges or fees must be paid in connection with the following communication, they may be paid out of our Deposit Account No. 25-0115.

The Office Action dated September 27, 2002 has been received and carefully reviewed. Please amend the above-identified patent application as indicated below.

In the claims:

Please amend claims 1, 7, and 10 as follows:

1. (Amended) A device for use in taking a mould from a foot comprises:
- (a) a member having a planar surface on one side, and
 - (b) operating means provided on the opposite side of the said member to said planar surface for operation of the member in the pressure application of the planar surface into contact with at least a part of the sole of the foot suitably positioned therein, said operating means further providing means for tilting the member while the planar surface is in contact with the foot sole for appropriate support and joint or other location of the foot sole during the application and setting
